Attacks Ottawa Decision On Property Losses

Umezuki, Hirose To Toronto As Manitoba JCCA Delegates

WINNIPEG.—Takaichi Umezuki, Japanese section editor of The New Canadian, and Harold Hirose were elected by the Manitoba Japanese Canadian Citizens League executive to represent the province at the forthcoming national conference of Japanese Canadian groups. The conference is to be held in Toronto from August 30 to Sept. 1.

The two Manitoba delegates were chosen at the JCCA meeting held at the North Winnipeg CCF Club Rooms at 1170 Main St., on Tuesday, July 29.

PROPERTY LOSS COMMITTEE FORMED

The joint executive also elected a standing committee on property loss claims consisting of the following: Genji Otsu, Shinji Sato, Kaichi Hikida, Shinkichi Sakai, King Enta, Harold Hirose, and Bill Sasaki. This committee is expected to work in conjunction with the Winnipeg Co-operative Committee and its legal sub-committee on property losses.

After preliminary discussion on the question of national organization, the executive decided to call another meeting on Friday, Aug. 8, at which time a more detailed discussion will take place. The meeting will be held at 1170 Main St.

PICNIC AND CONCERT PLANNED

The executive unanimously approved the plan of holding a community picnic on August 24, and various committees were

The Hutterite Problem

It can be stated with fair accuracy that the Hutterites do not wish to "assimilate" and make no bones about it. Their communistic mode of living, their beliefs—in fact their whole life—is based on a very strict interpretation of the Bible.

Recently the Alberta government passed a law restricting the right of Hutterite colonies to purchase land. This involves the denial of basic democratic rights, and the facts and circumstances concerning the Hutterites are worth our attention.

History

The Hutterite movement grew out of medieval religious persecution. The founder, Jacob Hutter, was burned at stake in 1535 for refusing to bear arms.

Later the Mennonites broke away from the Hutterites. The former believed that the family should be the basis for dividing goods and profits, while the latter [illegible] possessions should belong to the church.

PRESIDENT SIGNS GI WIVES CLAUSE

WASHINGTON.—President Harry Truman signed H.R. 3148 on Tuesday, July 22, making law the amendment to the Soldier Brides Act which will allow GI wives of "ineligible alien" parentage into the United States. Designated Public Law 313, the measure also permits entry of minor children of citizen members of the armed forces.

This is the amendment that affects the Kitajimas, the Kawagoes and the Kimuras.

Nonagenarian Says Women Could Be Bosses If . . .

TOKYO.—Yukio Ozaki, 90-year-old sage of Parliament, informs Japanese women that they could govern their men if they tried.

"Women can improve their position and actually win all the rights guaranteed them under the constitution if they used their heads," Ozaki said in a magazine article.

He said women have themselves to blame for being second raters in the family because even today they call their husbands "master."

He suggested the Japanese stop being so polite, quit wearing kimonos, and build a few modern apartments with communal kitchens.

Too Late For Senate

U.S. House of Representatives Unanimously Pass Claims Bill

WASHINGTON.—The American Evacuation Claims Bill was passed unanimously by the House of Representatives on July 23 following a twenty-minute debate by a full house.

The bill, known as H. R. 3999, however, failed to appear before the Senate before the adjournment and has been tabled in the Senate Judiciary Committee until the next session, reported the JACL Anti-Discrimination Committee.

The Senate "passed over" H.R. 3999, tabling it until next January "because of the amount of money involved and the alleged need for further investigation," the ADC was informed.

MASAOKA HOPEFUL

Mike Masaoka, national ADC legislative director, declared that "we are hopeful that it will be passed early in the session by the Senate since it was given unanimous approval all the way through its consideration in the House by the Subcommittee No. 2, the Judiciary Committee, and the full House chamber."

Representative Hobbs of Alabama, in urging the passing of the bill in the House of Representatives, complimented the sub-committee for "giving the house the opportunity to pass this bill which is grounded in honor and justice."

"I feel that you have rendered a good service in submitting this bill to us because it gives us a chance to show the world for the second time that the House believes in making our government not only of law but of honor and justice," Rep. Hobbs stated.

SIMPLE JUSTICE

Representative A. L. Goodwin of Massachusetts declared:

"This will show to the world that when our government by voluntary action of its own affecting a special racial group brings a situation where these individuals suffer the loss of their property, even though the act of the government is called by military necessity, we are ready, willing and anxious to go forward with remedial legislation and attempt to redress those wrongs and do the right thing in the interests of simple justice."

H.R. 3999 will set up a procedure for the payment of business and property losses suffered by Americans of Japanese ancestry as a result of the evacuation.

Toronto Co-operative Committee Hits Narrow Terms of Reference

TORONTO.—The Toronto Co-operative Committee on Japanese Canadians and associated groups across Canada are expected to start a protest campaign against the government's announced plan for dealing with Japanese evacuation loss claims.

Following the announcement of State Secretary Colin Gibson of July 24, which laid down the terms of reference for claims against the Custodian, the Co-operative Committee issued a statement declaring that the terms of reference "are so restricted as to be worse than inadequate, and in fact to be practically useless."

Terms of Reference Too Narrow

The statement was issued through the Co-operative Committee's secretary, Mrs. Hugh MacMillan, who added:

"It will be necessary to consider seriously whether it will be worth while for the Japanese Canadian claimants to have anything to do with the commission unless the terms of reference are broadened to enable a full and fair inquiry to be made."

The statement pointed out that under the plans announced by State Secretary Gibson, the evacuees could not claim losses even though the property had been sold at less than the fair market price unless it could be shown that the custodian had failed to exercise "reasonable care" in disposing of the property.

Many Claims Would Be Ignored

"Many hundreds of claims cannot even be considered by the Commissioner for properties were lost or disposed of or had seriously depreciated before the Custodian was able to take charge," the statement said.

It stressed that the terms of reference do not implement the Prime Minister's promise of January 24, 1947, that "the Government is prepared in cases where it can be shown that a sale was made at less than a fair market value to remedy the injustice."

"Nor do the terms of reference comply with the recommendation of the Public Accounts Committee which was approved by Parliament."

Letter Sent to Prime Minister

A letter is being addressed to the Prime Minister urging that his promise of remedying the injustice be fully implemented.

(For a complete text of the Co-operative Committee's statement, please turn to page 2.)

The Co-operative Committee's legal sub-committee is expected to hold a meeting this week to discuss the government's announcement in detail. Meanwhile the Co-operative Committee's statement of protest has been mailed to over 200 organizations and "key" individuals across Canada. The Committee is seeking expressions of opinion from them in order that the protest action decided upon shall be undertaken on the widest possible basis.

Present Terms of Reference

The terms of reference for evacuation loss claims as announced by the Secretary of State were laid down under two headings:

1. That by reason of failure of the custodian of enemy property to exercise reasonable care in the disposition of the real and personal property vested in him, the amount he received from such property was less than market value at the time of the disposition.

2. That by reason of the failure of the custodian to exercise reasonable care in the management of personal property, such property was lost, stolen or destroyed, but no claim shall be considered in respect to property lost, destroyed or stolen while under the custody, control or management of any person, other than the custodian, appointed by the owner of the property.

Weed-Killer Source of Arsenic Which Poisoned Shoyu Eaters

SAN FRANCISCO.—Mystery surrounding the shoyu poisoning of hundreds of persons in various American centers was cleared up last week. Dr. J. C. Geiger, San Francisco city health director, reported on July 25 that arsenic poisoning resulting from the tainted soya bean sauce had been traced to two carloads of processing caustic soda manufactured by a Chicago weed killer concern.

[illegible]

As a result, according to Joe O'Leary, federal food and drug inspector at San Francisco, thousands of gallons of arsenic-tainted sauce was marketed, poisoning people in San Francisco, Los Angeles, Salt Lake City, Boston, New York, Chicago, Baltimore, Philadelphia, New Orleans and other cities.

An Unsatisfactory Proposal

Japanese evacuees who suffered financial losses due to the evacuation cannot hope for reasonable compensations on their losses under a strict interpretation of the terms of reference disclosed by the Secretary of State on July 24.

The main objections against the government proposal is set forth in the Co-operative Committee's statement which appears elsewhere on this page.

There are two principal objections.

The first is that under the proposed terms of reference, the fact that the property was sold at less than its fair market valuation is not made the criterion on which to compute the compensation. It does not matter if a property were sold at one tenth of its fair value. Unless it can be shown that the custodian failed to exercise "reasonable care" in disposing of the property, no compensation will be provided on the loss incurred on it. And a great deal of leeway is provided in that phrase "reasonable care."

The other objection is that the terms of reference are made so narrow as to make a considerable part of the actual evacuation losses fall outside its scope. The only losses which may be considered are those sustained on property which had been placed under the care of the custodian.

It is surprising that the cabinet should have reached such an unfair decision. The terms of reference falls far short of the "fair treatment" promised by the Prime Minister. It falls far short of the recommendation presented to the House of Commons by the Public Accounts Committee. It would almost seem that the cabinet were asking for criticism and pressure in order that it will be forced to broaden the announced terms of reference.

It is rather significant, at the same time, that the cabinet should have waited until after the adjournment of the Parliament to make the announcement. If made before that, the announcement would have evoked much opposition from the members.

The legal committee of the Co-operative Committee on Japanese Canadians is now studying the problem and planning appropriate action. A letter has been despatched to the Prime Minister requesting an interview. The Co-operative Committee hopes, and we do too, that the government will be persuaded to revise its proposed plan.

But if persuasion fails, some other action may be necessary, since it would probably be disastrous to proceed on the present government proposal.

The pleas for fair play in the matter of Japanese evacuation losses voiced by members of almost every political party during the last session gives us reason to hope that if proceedings on the claims inquiry can be delayed until the next session, we may hope for a more satisfactory plan.

Admittedly, it will be very difficult for any Commissioner to determine the exact losses sustained by the evacuees especially on properties which were not vested with the custodian, but we feel sure that the government can be [illegible] to bring forth a more reasonable proposal [illegible] at providing justice to the evacuees rather than [illegible] the custodian's shortcomings.

We [illegible] our efforts to seek it.

A Letter From The Editor

WINNIPEG.

How are you these hot summer days? If you feel lazy and don't feel like working and maybe want to play golf when you shouldn't, I know exactly how you feel. Only personally I prefer to sleep, especially in the mornings.

Our faithful columnist K.M. has told me that he has been incapacitated for a few weeks, so the staff has been left with the opportunity to pinch hit for him in his customary spot.

Nothing very much has been happening around the office these days. Incidentally the New Canadian office takes up the sun room and the living room of a five-room bungalow on 751 McCalman Ave. The Japanese type composing shop is in the basement.

I live here with my family, and Frank Morlisugu is our boarder.

The rest of the staff, the Mayedas and the Umezukis, live on 504 Talbot Ave.

We are expecting Roy Ito to come from Toronto this week. We are counting on his help for the next couple of months during which some of the staff can take their long deserved holidays.

* * *

We don't go much for show at the office, in fact we would not like to be seen at all sometimes.

A newspaper office can be excused if it has a little Bohemian atmosphere. They say writers are queer anyway. But I'm afraid this newspaper office is a little bit on the heathenish side at times. If you surprise us on some hot afternoon the chances are you'll see three fine specimens of manhood working without shirts. Sometimes Frank is in army shorts to keep his legs cool too.

Last weekend Doc Banno stayed over a couple of days. He was returning to Kaslo after a trip to Toronto. He had to wait two days for his berth, and it seems plenty of people are travelling, even in these hot days.

Doc's entertainment was taken care of immediately by T.U., alias General Timoshenko, alias our Japanese section editor.

T.U. took Doc around for 36 holes of golf on Saturday. The next day Doc was too exhausted to accompany his host on another 36 holes. In fact he was so exhausted that he was lolling around reading all day, utterly unfit for any sports, outdoor or indoor. By indoor sport I mean bridge, for instance.

I am looking forward to making a trip to Alberta and B.C. around the middle of August. It is over two years since the New Canadian said hello to its Western correspondents, and for me it will be the first experience.

If [illegible] permits I hope to take [illegible] trip to Vancouver. I'll tell you all about that if I do. [illegible] of course, I want to spend a little time with my folks in New Denver.

I hope to see as many as possible of our correspondents who have so faithfully kept us supplied with local news, which we value very highly. In some places I hope to be able to drum up new correspondents.

That's about all for now except to tell you that my son Dennis is just learning to talk. And I think you should see how much he has grown recently.

THE CO-OPERATIVE COMM[ITTEE] STATEMENT ON THE INQU[IRY]

The following is the complete text of the statement [illegible] by the Toronto Co-operative Committee on Japanese C[anadians] on State Secretary's announcement on July 24 of the [appoint]ment of an evacuation claims commissioner and the [terms of] reference for evacuee claims:

The terms of the Order-in-Council appointing the Commission to investigate Japanese Canadian property claims are so restricted as to be worse than inadequate, and in fact to be practically useless. It will be necessary to consider seriously whether it will be worth while for the Japanese Canadian claimants to have anything to do with the commission unless the terms of reference are broadened to enable a full and fair inquiry to be made.

The terms of the Order-in-Council impose an impossible burden on claimants. Before the Commissioner can recommend a cent of compensation, he must be satisfied that the Custodian has failed to use reasonable care in disposing of the properties.

The claimants have never based their case for compensation on the lack of care by the Custodian who in most, if not in all cases, may be presumed to have done the best possible in the circumstances. However, in these circumstances of wholesale evacuation, it was inevitable that market value should be abnormally low and the major losses sustained were caused by the Government's policy of enforced evacuation rather than by any lack of care by the Custodian.

Many hundreds of claims cannot even be considered by the Commissioner, for the properties were lost, or disposed of or had seriously depreciated before the Custodian was able to take charge. These losses arise no less out of the evacuation orders and Government policy of which, however necessary it may have been, the Japanese Canadians were the innocent victims.

The Co-operative Committee has repeatedly pointed out that justice could not be done unless the terms of the inquiry were as broad as those contained in the Bill proposed to Congress by Japanese Americans for all losses naturally and reasonably flowing

from the [illegible] this instance [illegible] ernment in [illegible] can Government [illegible] justice.

Nor do the [illegible] reference implement [illegible] made by the Prime Mi[nister him]self when on Janua[ry] [illegible] he stated that [illegible] treatment promised [illegible] Government is prep[ared] [illegible] where it can be shown [illegible] was made at less than [fair mar]ket value to remedy [illegible] The terms of the Comm[ission] deprive these whose pro[perty] sold at less than [its] fa[ir] value of compensation an[d] [illegible] can show that the Custodi[an] [acted] carelessly. The injustice [referred] to by the Prime Minister [will not] be remedied unless the [terms are] amended.

* * *

Nor do the terms of the [refer]ence comply with the [recom]mendation of the Publi[c Ac]counts Committee which [was] approved by Parliament. [The] Committee recommended [that] a Commission be appoint[ed to] inquire into claims for [losses] which resulted from the a[mounts] being received by clai[mants] being less than the fair m[arket] value of their property a[t the] time of sale or loss.

Under the present order [if the] Custodian shows to the Co[mmis]sioner that he made reaso[nable] inquiries and did the best [he] could in the circumstances [the] Commissioner can allow no [com]pensation although the sale [was] far below the fair market v[alue].

It is still not too late for [the] Government to change its [mind]. We are writing to the Pr[ime] Minister urging that his for[mer] promise of remedying the [in]justice be fully implemente[d].

The Committee [illegible] should the people of Canad[a be] satisfied until the Govern[ment] [of] Canada has reversed [illegible] and done full justice.

Accent on English

It was more than a surprise when I first found out that I have an accent. (Remember those first days of relocation when you encountered those people in the East who gushed wonderingly after the first exchange of conversation: "Oh, you speak such GOOD English.")

When I was thrown in with some members of the British army during my overseas stay, I found that this "GOOD" English was accented. To them, that is. Now the English, and the Scottish, and the Welsh, do not speak English as she should be spoke — at least by my standards. They have a whale of a lot of accents and dialects, some of which are extremely difficult to figure out on first sight—or rather first hearing.

So when a character from the Cockney district of London town ups to me:

"Naow, look 'ere, myley, eyen't you got the blinkin' are-sent!" It just defies what I consider logic.

Another example was in Calcutta. It happened that one evening one of my "mytes" (spelled "mates") dragged me out from our billet for a cup of tea at a nearby service canteen. Tea, I said, not cawfee.

I moseyed over to the counter after straining the milky luke warm stuff through my nostrils and asked:

"You haven't any gum, have you?"

At least, that's what I thought it sounded like. To the guy across the counter who talked as if he had skinned his nose at one time or another on one of England's playing fields, it must have sounded something like:

"Ya hav'n't gawt enny gummm, hav ya?"

So he queries with an elegantly raised eyebrow:

"Now, wheah evah did ewe get that lawvely Ahmericahn ahcent?"

It just happened that in my usual informal style I had neglected to put up my "Canada" flashes and I must have looked like any other Oriental around the neighborhood.

Relating this to an Ontario friend I was informed that I have a Western Canada accent. Which is softer and easier on the ears than the nasal twang of Ontario, she says. Being a native Ontarion she must know.

Of course, this just makes it more confusing, but the last part sounded flattering.

LET'S GUARD AGAINST POLIO

(This is the season when the mysterious virus of infantile paralysis hits and cripples the nation. Many cases of the dread disease have been reported throughout Canada with Vancouver having over 60 to be in polio epidemic proportions. As a safeguard to anxious parents, The New Canadian presents an article about poliomyelitis, based on an article in British Columbia's Health Bulletin.)

Poliomyelitis, or "polio," is a disease most dreaded by the average mother. It is a disease which strikes most often at children and young adults. It rarely kills, but leaves many of its victims crippled.

The average North American hasn't such a big chance of catching the disease in its commonly recognized stages. The chances are only one to three out of 10,000 will get it. But not as commonly known is the fact that almost everyone within a lifetime is subjected to poliomyelitis infection.

In an epidemic area, a person has 1,000 more chances of carrying the "polio" virus without harm to himself, while passing it on to others. If he does "catch" the disease he has better than a 50 per cent chance to recover completely, and a 5 to 10 per cent chance of dying from it.

Many Unknown Factors

There are still many unknown factors about "polio" and research is being continued. Why does it attack different parts of the body in different victims? Why does it kill some, cripple others, while allowing most to go free without permanent injury? Why are majority of "polio" victims children and young adults? No one knows yet.

* * *

It has become fairly evident, however, that "polio" is a disease of the gastro-intestinal tract, and the virus is mainly carried from human sewage to food by flies. The disease is therefore most prevalent when the flies are most active.

Very Few in Winter

There are very few "polio" cases in the winter. They become more common around May, reach a peak in late August and early September, and fall off in October.

The disease is carried by one of the tiniest and most elusive viruses in existence. When the virus enters the body, it may conceal its activity under very innocent symptoms while preparing to kill or injure cells in any part of the central nervous system. It may, also, for some unknown reason, cease activity at any stage in the disease.

* * *

Warning Symptoms

Warning symptoms, which begin suddenly days or weeks after exposure, are headache, nausea, sometimes with vomiting, slight temperature, listlessness, fatigue, loss of appetite, and occasionally mild tonsilitis or a slight head cold. These signals, which unfortunately are almost as common in hot weather as sunburn, usually run their course in one to three days and then disappear. No matter how unimportant they seem, however, they should definitely be investigated by a doctor if poliomyelitis is known to be in the community.

The second stage begins one to four days after the first illness, when symptoms are repeated in an aggravated form. Temperature is higher, vomiting and severe headache are common, muscle soreness is sometimes evident, the patient may perspire profusely around the head and neck, is over sensitive to touch on any part of his body, and will appear more ill and anxious than his symptoms would warrant.

The Third Stage

The most telling and differentiated symptoms of all which are typical of the third, pre-paralytic stage, are stiffness of neck and spine, or difficulty in swallowing or breathing. Medical attention and absolute rest are imperative and sore muscles must not be massaged. When paralysis does occur, chances of partial or complete recovery are reasonably good under expert medical care.

An estimated 90 per cent of people infected by poliomyelitis never proceed beyond the first stage even during an epidemic, although they are capable of transmitting the disease to others.

* * *

Protective Steps to Take

What protective steps can we take against "polio"?

Most important is good home sanitation, protection of food from contamination and invasion by flies, and scrupulous personal cleanliness. These are good general precautions against any disease, and without them, maintenance of good health is difficult.

Because "polio" attacks the central nervous system, doctors feel that children who have tonsils and adenoids removed—thus leaving nerve endings vulnerable to virus invasion—are taking too great a chance if poliomyelitis is in the community. They feel that these operations should be postponed until the "polio" danger is over. Other conditions which doctors feel might play a part in "polio" susceptibility are extreme fatigue through muscular over-exertion, and sudden temperature change which often occurs when children swim in cold water on hot days.

Seek Medical Advice

Parents have the responsibility of paying attention to even slight symptoms and seeking medical advice when "polio" is suspected in order to protect the younger generation.

OLD OHIO COLLEGE

I have been living in the United States for the past year; going to a small co-education college in Ohio called Heidelberg College. It's a very old college—it is celebrating its 100th birthday in 1950—and it is one of the first co-education colleges to be founded in the United States.

Although we don't know everybody else on the campus, it seems as though we do. We say "Hi" to all, and since I work part time in the college library, I have had further opportunity to get to know more people.

The college is highly accredited as a liberal arts school, being accredited by the Association of American Universities. Only McGill and Toronto are so accredited in Canada.

The classes are fairly small although some number as high as fifty to sixty students. The professors are friendly and always willing to talk over any special problems, even personal problems.

As I am majoring in psychology, the Psychology professor is my course adviser. He and his wife and child live in a small apartment which the college put up for ex-servicemen and the faculty. I took it easy on the road. I stopped over at Pittsburgh and Harrisburg. Then I arrived in Philadelphia. I passed through many "home" towns on the way. It was a "Memorial Day" when I left one town and all the people were out with flags. Some of them went down to the graves of their loved ones who had been killed in the war, some to pray and to decorate the graves with flowers.

HOME TOWN

It made me recall that I, too, had a "home" town of a kind. I used to live on the broad King George VI Highway just outside New Westminster on the way to White Rock and Seattle. Lying on the beach sand, I lazily watched a well-turned ankle (and all that followed it) disappear into the water. Ordinarily I consider myself a liberal man. I agree to most of the modern day feminine vogues and consider myself very unbiased in my judgments.

However, when it comes to feminine bathing suits, it's a different matter. Lying out there on the sand, I tried to analyse this perplexing problem.

On the beach, one is apt to find a good variety of people including women. I sat there gazing at the passing parade, my mind unconsciously classifying them, the women, into three main groups.

First there are the select few who do justice to the scant piece or pieces of clothing called the bathing suit. Next there is the group which is just so-so, depending on the mood one is in. Then there are the vast majority who fall into the category of "should be heard and not seen."

A bathing suit is unlike any other piece of feminine apparel. In it, a woman can make no attempt to hide the natural lines of her figure. Where a broomstick skirt will hide a rather prominent hip, a bathing suit will only serve to accentuate it. However, women, being the stubborn creatures that they are, still persist in their blind folly.

I am concerned with alleviating the bathing suit situation as it exists today. The first two classifications do not need our attention. We must concentrate on the third, which presents a ticklish problem.

As previously stated, women persist on wearing form-fitting and form-revealing outfits, therefore it might be in order for an enlightened bathing suit manufacturer to develop a bathing suit with a built-in girdle. This may ease the situation somewhat. And also do away with some of the eyesore from the beaches.

There is another solution offered by a disillusioned beachcomber. He suggests the manufacture of one-piece bathing suits which women will use to tie around their heads. As for the main part of the body, he suggests that a barrel be carried around it. This last suggestion will remove the bathing suit problem completely but unfortunately it may prove highly impractical.

At this writing, I am without a practical solution myself. I leave it up to the critical and intelligent public to offer the suggestion to this distressing and distracting problem: that of women's bathing suits.

デューカボー宗徒（三）

ペルギンの配下のデュカボー中にはカナダに同化して歸化した所謂「獨立デュカボー」なる一團があり、共産村からにげ出し獨立デュカボーに走る者が漸次増加した

ペルギンは宗團の統一にも種々な姑息な手段を弄つたが、大勢はどうする事も出來ず、ペルギンの配下には却て信仰薄な宗教的因襲で生きる者だけが殘るやうになつた

一九二三年、デウカボー部落で厩舎不審の火で公立學校が燒かれたが、これが公立學校七十五校を燒いた第一番目だつた。其の翌年ペルギンの住宅も公立學校三校と共に燒かれた

ペルギンの横死

デウカボー宗徒は狂信派と共產派と獨立派と三派に分裂したわけであるが、獨立デウカボーはカナダ化して、共產派と狂信派が常に爭つてゐた。一九二四年十月廿八日、ブリ、ヤントの山々は紅葉に飾られ、アップルは熟し、野の花は漸く散つて冬近しと思はしめる頃、ペルギンは一人の付添女ストレリオバ（二五）――彼女は十六歳の時からペルギンの寵を一身に集め、どこへ行くにも影の如くペルギンに付き添ふて居た――と二人で客車に乗込んだ。一人のデウカボーが彼のシュートケースを持ち込み彼のシートの下に押込んでオデザして出て行つた [illegible]乗客は二十人位居たが、皆のつかれで皆寝てゐた

大爆發！

海拔四千呎の頂上から急勾配でネルソンに下る坂で、爆發が起つたのである。ペルギンの乗車はミジンにくだけて、鐵道の兩側三百呎程の間に吹きちらされた

原因調べに時計仕掛の爆藥裝置があつた事をたしかめたが、誰がやつたか皆目判らなかつた

ペルギンの葬式は三千人の宗徒が集まつて、聖使徒の禮を以て行はれた。不思議にもストレリオバは命びろひをした

指導者を失つた共産デウカボーは大混亂に陷つたが部落の經營はペルギンの遺志通りに續けてゐた

ブリ、ヤントの學務課は義務教育違反のデウカボーに合計四千六百弗の罰金を申渡したが、彿はないので二百人の執達吏を動員して共産村の倉庫や工場から、手當り次第物資を押收して競賣した。それでも不足した分を追徴した

デウカボー側は僅かに納めれば四千六百弗で濟むものを二萬弗の物資を競賣されたが、それでも彼等の信條を破る事卽ち罰金に服從するよりマシだと考へた

ペルギン第二世

指導者ピーター●ペシリヴッチペルギンを失つたデウカボー共産村は女王に死なれた蜜蜂のやうに何もする事が出來なくなつた。或者は十六歳からペルギンの寵愛を受けたストレリオバを新師に仰がうと云ふもの、或者はペルギンの一子ペトロピッチ・ペルギンをと騒いだ末は後者をロシアから呼ぶ事にした。大金を送り呼寄せたのはよいが、此ペトロヴィッチは父に似ず道樂者で、吞む、打つ（バクチ）買ふの三拍子そろつた男で凡そ宗團の指導者には似てもつかぬ唯ばせ者であつた。それで無智で宗教因襲にいきてゐる善男善女はお祖師様で奉つてゐたが、常識あるデウカボーは内心彼を信用しなくなつたばかりでなく、ぼつぼつ共産村から分離してサスカチワンへ戻る者が續出して「ペトロヴィッチはラスプーチン（ロシヤ帝政時代の怪僧）はりの横暴、專斷、亂政で愛想がつきた、彼は大ホラふきのオッチョコチョイだ」と酷評した

一九二九年の夏、ポプラの綠がまだ黄色にならない頃、ペルギン二世は代表二名にマカロフ（此人は現在サスカツーンに居る）と云ふデウカボーのローヤーを通譯につけてオタワへ陳情にやつた。其の内容は

一、カナダ教育の必要性を認めること

一、宗教上から兵役の義務は負はぬ事

一、出生、死亡、結婚の屆け出を認める事

一、離婚裁判はデウカボー宗團に任せてもらひたい事

等であつた。第四は加奈陀の法律を[無]視してロシヤ法律を行ふ事になるから除外せよとマカロフが忠告したが、老人代表共はこれが一番大切だと共々提出したがオタワではテンデ相手にしなかつた

沿岸の日本人が二世の教育をカナダの善良なる國民として教育すると主張したり、認識したり再認識したのとよく似て居る。デウカボーも表面は、そう云つてるが、實際は、善良なるデウカボーに育てるのが主眼であつた。政府は彼等のいつもの外交辭令だと知つてゐるので相手にしなかつた

ペトロヴィッチはロシア流の頭で外交をやらうとしたが、それは輿論の國加奈陀を知らないからである。我々の中にもそんな例は澤山あつた事を讀者は認めるだらう

ペルギンがオタワへ公立學校教育を認めると聲明して居る間にもサ州では、二、三ケ所學校は燒かれ、裸体行列で四、五十名投獄騒ぎを演じて居た

サ州最初の保守黨首相アンダソンは、デウカボーのトラブルの原因はペルギン共產者だと内偵を進めたので、時のオタワ首相ベネット氏と內談して時を待つて居た。ペルギンは酒亂傷害罪か何かでサスカツン監獄に收監されて居たのをコツソリ有無を云はせずハリファックスに護送しロシヤに送還する船を待つた

サスカツンの或新聞記者が之をかぎ出してマカロフに電話で知らせたので宗團内は大混亂をおこし、取敢ずマカロフと二人のデウカボーが飛行機でハリファックスに飛び移民代官の協力を得て、移民部の鐵格子の中のペトロヴィッチに會ふ事が出來た。[illegible]「マカロフ來たか、もう君の世話にならなくてもよい、[illegible]出られるやうにしてある」と手を[illegible]に振つた

此祖師様には妙な癖があり、時時こうしたから元氣を飛ばす事が今までにも度々あつたものだ。マカロフは「又か」と苦笑しながら「アア、そうか、デワ失敬僕は歸るよ、さようなら」サッサと出かけると「アア待て／＼歸つてくれるな、私は自分で何を云つてるか判らない位混亂してゐる、マカロフ助けてくれ」と手を合せる「一体それは本氣なのか」「本氣とも本氣とも私はロシアに歸りたくないボルセビキが殺す、どうか加奈陀に居られるやうに運動してくれ、拜む、此通りだ」とヤッキになつたのでマカロフは内心おかしさを耐へて誠にむつかしい事を告げた

[illegible]なる理由で[illegible]するかを聞いた[illegible]政府ではこれを云ふ現行罪科はないので問題は單純であつた

裁判の結果釋放される事になつたのでサスカチワン監獄の刑期も解消しになつたので宇頂天になつたペルギンは一流のホテルでウイスキーをあふり肉を喰ひ「マカロフに向つて「全体貴公の費用千二百二十弗はベラボーに高いぞ」又地金が出る

ピーシーに歸つてからも亂行は續いた。酒亂で教育をなぐつたり王侯の暮しに資金が乏しくなり、考へた「デウカボーは時來らば白馬に乗つて移動する運命にある、其準備の費用を作つておく」と云ふふれこみで信徒一人頭三弗宛課財を募つた事がある

共産村の財政も父の時代には榮[illegible]統[illegible]の代になつてから[illegible]の發備資金も備へなくなつ、會計係が恐る恐る「白馬會の資金が三萬弗以上あつた筈ですがどうなりましたか」と訊ねると彼は「ウン白馬か、あれは木馬からにげ出してしまつた、イヤ手前達が多分殺したんだらう、へへへ」と平氣で笑つてる始末だつた

ピーシー州議會では一九三一年にデウカボーの選擧權を剥奪してしまつた。理由は、兵役の義務を除外されて居る者は投票權無しと云ふのであつた。無論信者徒達には、人間社會の市民權などの有無は問題でないが、加奈陀化しつゝある彼等の子孫のためには彼らの將來かしい將來に大きな暗影を投せられた結果とはなつた

此事は我々日本人にはよく理解出來る問題である。

男女平等、個人の尊嚴

新憲法精神で貫く民法改正案成る

（東京發）憲法附屬法典中、國民に最も關係の深い改正民法は本年一月の司法制審議會の答申案に基き、司法當局が條文化を急いで居たが、逐條的な最後案を作上を終つたので、近く閣議に附議決定の上近く國會に提出されることになつた、新民法は憲法にいう個人の尊嚴と男女同權の思想を一貫してうたい、特に從來の第一條「私權の享有は云々」の有名な條文を第一條の三に繰下げ、「私權は總て公共の福祉の爲めに存す」ことを新規に、更に「本法は個人の尊嚴と兩性の本質的平等を旨として解釋」せらるべきことを提示して居る、右の構想を基準として新民法は

一、戸主、家族其他家に關する規定は個人の尊嚴に反するため削除された、從つて戸主權の家督相續の制度も廢止される、但し此場合家族制度の美點とされている點は残置した

二、妻の無能力規定及び妻の行為を制限する規定は兩性の本質的平等に反するのでさくじよされる

三、成年者の婚姻、離婚、養子緣組、離緣は一切父母の同意を要しない

四、夫婦の同居すべき場所は協議で定めることとし、裁判上の離婚の原因に就ては男女平等となる

五、相續は從來の遺產相續を採用し配偶者は常に同順位により相續人となり兄弟姉妹も相續人に加えられる

點に重大な改正が見られ、此點さきの應急措置法にも一部見られているが、更に（一）婚姻年齡は男滿十八歲女滿十六歲（舊男滿十七年女滿十五年）と引上げられた

六、未成年者の婚姻は父母の一方だけの同意だけでよく、また未成年者は婚姻により成年に達したものと見なされる

七、親子關係は親と子との間には親族關係は生じない

八、嫡出子、庶子の區別がなくなり從つて民法で庶子の名稱もなくなる

九、さいばん上の離婚の原因がなくとも婚姻を繼續し難い重大な事由があるときは離婚の訴ができ、反對にするときでも一切の事情をしんしやくの結果離婚の訴を却下できる、これは養子緣組及び離緣の場合も同じ

十、家の制度廢止に關し親族會議もなくなる

十一、離婚した者の一方は他に對し相當の生計を維持するに足るべき財產の分與を請求できる

などが附加せられた、以上の改正の骨子に從つて新民法は第一編總則中妻の無能力に關する規定を削除、第二編物權及び債權の一部改正を行つたのみに對し第四編親族においては第二章戸主及び家族、第七章親族會議、第五編相續中第一章家督相續を全面的削除された

はじめ條文にわたつて大ナタがふるわれ且つ全部平易な口語體に改められ又家事々件の處理は[illegible]所がこれに當るので從來さいばん所の[illegible]が變更された、新民法は來年一月一日から應急措置法に代つて施行される

ゼイ竹片山政府の現在、未來を占う

（東京發）ゼイ竹の威力で「空飛ぶ圓盤」の正体を見破り科學界に一驚を出させたへの易者界がこんどは政界に乗込んで片山内閣の現在、未來を占つた、サイパン陥落、終戦をピタリとあてたというカクカクたる易聖を持つ高島鶴堂老（七三）が十八日午後首相官邸に西尾官房長官をおとずれ易經本義二冊をひもといて說明するところによると

片山内閣の現在は「雷水解」の卦で、活動的な政治をやつている、將來は「震爲雷」と云つて近いうちにアツと驚くような事が起るが、なんなく乗越えて終り良しとの占辭を保證

ボンヤリ傾聽していた長官は「思い當るフシもある」とニンマリ苦笑……

進歩的政策に期待し片山ない閣支持

（東京發）インフレと食糧難にあえぎ、[illegible]の中に乗出した片山内閣に對し生活苦にある國民は果してどれ程の信任を寄せているか、危機突破の大きな要素となるカタヤマ内閣への國民の信任度をはかるため毎日新聞世論調査部で行つたところによると

あなたはカタヤマ内閣を支持しますか

と云う問ひに對し

支持する 六八、七パーセント

支持せず 三一、三

と云う答えだつたが、支持の中核一位にあるのは社會主義政策に贊意を表して居るのが二四、七パーセント、第二位は勞動者の味方だからというのが一八、六パーセント、他に適當なのがないからと云う消極的なのが一一パーセント、カタヤマだからと云う理論は三、九パーセント、カタヤマ内閣に對する期待と信頼は矢張り進歩的な政策にあることが知られる。一方、支持せずの方を見ると公約不履行という追究組が二三、七、政治力の缺乏という批判派が二一、六、社會主義政策反對が一三、六、連立反對の潔癖派が六、三パーセント

勞働省一日に發足

（東京發）勞働省設置に伴う勞働者災害補償保險の所管問題は解決したので政府は十七日の閣議で正式決定、議會に提出された、政府としては勞働省の發足を八月一日にしたい意向である

武德會關係追放は内務官僚に大影響

（東京發）政府は武德會關係者追放する基準につき檢討中であつたが成案を得て發表した、追放基準は東條元首相が武德會を改組、同會を戰爭にかりたてた昭和十七年四月から終戰にいたる期間、即ち東條、小磯、鈴木の三ナイカクにわたつて武德會本部道府縣支部の要職にあつたものに適用され、範圍にわたるもので現知事八、前知事三五、警察部長六〇が追放の該當する事になる

家族制度がなくなつても

家族愛や日本的な美風はのこる

民ポウ改正案の要點は、大体、民主々義の原理から割り切れるもので、近代社會諸法の法文化にすぎない▲封建的なカゾクセイドの不平等の解放により親族組織の上から改造されるわけだが、保守主義者には、日本的な美風が地を掃つて「義理」も「人情」もなくなるような誤解をいだかせるようである▲が、カゾクセイドがなくなつても、カゾク愛がなくなるのではなく、親子關係、夫婦關係の倫理的基礎がくずされるのでもない▲現に、民主々義的な潮流がさまざまな煩瑣なものを押流しつつあるに拘らず、官廳でも民間でも「カゾク手當」と云うものが普へん的になつて居る▲これはカゾクの制度が、從來とは違つた形で[illegible]されつつあるので、この混亂時代に生き抜こうとする倫理觀念が、新しい形をとつたものである▲東大名譽教授中田博士はフランス革命の人權宣言の「良父、良子、良兄弟、良友、ないし良き當者たらざるものは良市民ではない」と云う言葉を引いて、法律と倫理との關係を論じている▲臨時に出された改正民ポウが否定した所は封建時代の[illegible]で、[illegible]時代の[illegible]の意義からから[illegible]を見ても「家」はなかつた▲が、從來の「家督」は全く封建的なもので徳川時代の武士階級の[illegible]についてこのセイドとなつたのである▲何れにしても民ポウの改正に際して、法律と倫理との關係をはき違えてはならない

ラチヴ・コミテー及び全國の同種運動團體は、日系加奈陀人の財產損害賠償問題に關する政府の發表に對して抗議の運動を開始することゝ見られる。去る七月廿四日ギブソン國務相が政府の方策を發表した中で「カストヂアンが取扱つた家財日系人の財產損害だけをコミショナーに調査させる」ことを條件としてゐるのは「餘りにも制限されたものであつて、不十分といふよりは寧ろ事實上に於て役に立たないものである」と、コーペラチヴコミテーでは主張し、幹事のミセス・マクミランの名を以て次の要旨のステートメントを發表してゐる

▲損害はい償に關する條件が、もつと廣義なもので、全的に公正に調査させるものでなかつたら、これは日系加奈陀人にとつて何の役にも立つものとは考へられない

▲國務相の發表したプランによると、日系人は彼等の財產が公正なる時價以下で賣られた場合でも財產處理に當つてカストヂアンが「適正なる世話」をしなかつたことを證示するのでなかつたら、損害はい償要求は出來ない事になつてゐる

▲しかも多數の損害はい償要求の分は、カストヂアンが管理する以前に失はれたり處分したり或は重大なる損害を受けたりしてゐるので、コミショナーの考慮の中にさへ加へられないのである

▲コミショナーの調査條件は、一九四七年一月廿四日キング首相が發表した「政府は、財產賣却が公正なる時價以下で賣られたものである事を證示し得る分に對しては、其不公正を是正する用意がある」といふ約束に副はぬもので、其上に此條件は、議會で承認されたパブリック・アカウンツコミテーの進言にも合致しないものである

(二)カストヂアンが適正なる世話をしなかつた爲めに、パーソナル・プロパテーが失はれたり破壞されたり又は盜まれたりしたのであるかどうか、但しカストヂアンに委託した以外に持主自身で自由に他人に預けた分の損失に對する賠償要求は考慮しない

社説

損害補償に關する不滿足なる提議

戰時移動の爲めに財政的損害を受けた移動日系人は、七月廿四日オタワ政府の國務相が發表した損害要求調査の條件を正當に解釋するときは、合理的な賠償を受ける望みは持てないことになる。

政府の提議に對する主なる反對は、本紙本號に掲載されているコーペラチヴ・コミテーのステートメントの中に指摘されているが、それは主として次の二點である。

第一は、財産が公正なる時價以下に賣られたことを問題にして、はい損害を查定する標準としていないことである。財産が時價の十分の二の値段で賣られたとしても問題にはならないことになっている。カストデアンが、財産處分に當り「合理的なる世話」(リーズナブル・ケア)をしなかつた事を證示できないかぎり、それから起つた損害に對する償は出さないと云うのである。そして此「合理的なる世話」という言葉は、解釋の仕様によつては、何とでも云いのがれの出來る、つかみどころのないものである。

第二の反對は、調査の條件が非常に狹義なものであつて、總移動から起つた實際上の損害の多くの部分に含まれていないと云う點である。損害ばい償を考慮するのはカストデアンの管理下におかれた分だけと云う事になっているのである。

オタワ政府の閣議が、斯る不公正なる決定に到達したと云うことは驚くべきことである。調査條件はキング首相の約束した「公正なる取扱い」とは凡そかけはなれたものである。夫れは又、オタワ議會のパブリック・アカウンツ・コミテーから議會に進言された內容にも甚しく反するものなのである。それは政府は斯うした不公正極まる條件を提議しておいて、非難と壓力の起るのを求め、それによつて仕方なしに條件を寬義なものにすることを考えているかの如くさえ見えるものなのである。

同時に、政府が右の發表をなすのを、オタワ議會の閉會まで待つたと云うことも重視されるべきであろう。若し其の前に發表が行われたとしたら、議員たちから多くの反對の聲が上げられたことであろう。

コーペラチヴ・コミテーの法務委員會は、目下問題を研究中であり、適當なる行動に出ることを計畫している。既にキング首相に會談を申込んである。コーペラチヴ・コミテーは、政府が提議したプランを修正することを強要されるであろうと望んでいるのであるが、諸々もまた之を希望せざるを得ない。

併しながら、若も此の說得が奏効しなかつた場合には、現在の政府の提議が遂行されるにおいては大なる不幸事が起るであろうことが想像されるところからして、何等か他の行動をとる必要が起つてくるであろう。

移動日系人の財産損害に對して公正なる取扱いをなせという要求は、殆どあらゆる政黨のメンバーから議會に於てなされたのである。若も賠償要求に關する調査が次の議會開會まで延引される事になれば、もつと滿足なるプランがたてられるであろうことを望めるわけである。

コミショナーが、移動者の受けた損害を正確に決定するというのは、非常にむづかしいことで、特にカストデアンに委託されなかつた分に於て然うであるが、諸々は、政府がもつと滿足なる提議を、カストデアンの立場を取りつくろうとするのでなくて、正義を目あての提議をなし得るものであることを信ずる。諸々は、それを成しとげさせる努力をゆるめてはならないのである。

○ニューカナデアンは自分の印刷所を持つていません。新聞は他の週刊紙發行の印刷所にたのんで英文を組んだり印刷したりして貰つています。最近の新聞用紙の値上りと印刷從業員の增給とで、本紙の印刷代も自然と引上げられましたので、本紙發行の費用もそれに準じて增加してきました。

○本紙經濟費の大部分は、皆樣のお拂い下さる購讀料によつて居ます。購讀料の前金切れに對してはハガキで通知していますが、それが度かさなつても御返事がない向きは一應新聞發送を中止することにして居ます。それは本紙の讀者の中に、住所を變更しても本紙にお知らせがないために、新聞が屆いて居ない場合があるかも知れないからであります。そうか此點を御諒解下さつて、アドレスが變つたら早速お知らせ下さると共に、引續いて購讀して下さい。住所變更の通知(必ず以前のアドレスをも記入して下さい)に對しては、直ぐの週の新聞を新住所へ送つて通知に代えさせて頂いて居ります。

「東京裁判」の報告書

ニホンの今日を思ひ、又ニホンに就て考へる時、今日は誰もがニホンを今日の悲境に追ひやつた軍閥官僚を恐めしくも思ふ。だがその軍閥官僚なるものが、一体どういふ風にして、ニホン八千萬の人民を牛耳り、また、いまとなつてみれば、誰にも、それとわかる大それた戰爭など、おつぱじめたものか?と云ふことになると、ニホンは誰にもはつきりわからない。例へば一九二八年六月四日の張作霖の爆殺にしても、それが、關東軍の仕業と思考されるものなのであつたが、我々はその思考を裏づける資料を全く持たなかつた。その様に、近代ニホンの歷史──發展の過程は實に謎に似てゐた。

だが、夫れ等一切が、現に既に四百日餘りに亘つて開廷されつゝ進行中の日本戰犯「東京裁判」によつて、逐次白日の下にさらされつゝある。其ドキュメントが「朝日新聞法廷記者團」に依る「東京裁判」の刊行である。

コレはニホンに關心を持つ者の絕對に讀みのがせない一ツ書だ。その「はしがき」の中の一節がよく其事を云つてゐる。

「東京法廷は、われわれの過去の罪惡に鞭打つ。裁判に苦痛はつきものである。此苦痛を正視する事は堪え難い事である。しかし過去を正視することなくしていかなる再生があり得ようか。軍國日本の終焉をみることなくして新日本國の出發はあり得ないのである。此峠を越すことなくして此の現實を清算することなくして次代の光明は決して正しき道を照らす事はないであろう」

此一巻は、かうした心境に立つ朝日法廷記者團により捧げられた東京裁判のリポートである。

……我々は、勝者が敗者をさばく、……なんとでも勝者の都合良いようにやれるさ、などといふ投やりな心で、東京裁判をパスし見過してはならない。それは餘りにも重大であり深刻である。たしかに日本民族の生命にからまるものである。同時に又日本の國體──天皇、政府、軍部、統帥權といふ組織の根幹が批判の俎上にのせられつゝあるものなのである。

此の第一輯、開廷以來滿洲國皇帝であつたフ儀氏の證言に至る中にあつても、ニホン軍部の超然たる──政府の權限外──存在が、ニホンをして今日の破局へと導いたことを示す。

其の法廷に於て荒木大將の辯護人マコーマック氏の反對訊問に答へた幣原男は次の如く云つてゐる。マ氏「內閣は軍の行動を取締る權限を持つてゐないか?」幣原氏「さう了解してゐる。內閣は直接軍との交渉がないのである」──

コレでは、軍部の專橫獨走は必然にあり得る。そうした事を未然にふせごうとの努力が眞に愛國の識者によつてなされたことを我々は記憶してゐるが、それは遂に武力の前に力及ばず、何でもが危險思想といはれ、かの美濃部博士の天皇機關說への彈壓、その著書の發禁處分事件となつたりした。

軍部は天皇の……その臣民の意志を……した。だが、遂に天皇自ら裁許の依て謀つたものなのであらうか?軍部は天皇の、その臣民の意志、願望をよそにして、滿洲へ、中國へ、そうしてパールハーバーへと押よせたものなのか?

次いで第二輯、第三輯と、其判決に至るまで逐次刊行の豫定であるといふ此の「東京裁判」を讀むことによつて、一切は明かとなるであらう。明かに知るべきである。

梅月さん
いかゞですか。こちらは大變暑いが、そちらはどんなです。こゝの空氣はダンプなので暑氣の時は息苦しく、體がむづ／＼するのでとても氣持が惡いので困ります
最近にオンタリオへの小旅行を試みました。五日の夜行で當市をたつてトロントに二日滯在、ハミルトンに向ひ二日滯在、そこからロンドンに向け出發同市で一日滯在し、ハミルトンに引返し二日滯在、更にトロントに向ひ土曜夜の舊同志達の歡迎會に臨み翌十一日の夜行で此旅行の幕をとぢ月曜朝古巢にもどりました
此の旅行の目的は主に絶えて久しい舊友知人と舊交をあたゝめるにあつたのですが、同時に私はさきに政府が散在政策の發表以來多少ニューカナディアンの尻馬に乘つたきらいはないでもなかつたがいち早く東部移動を提唱した關係上其後東部の同胞の状態如何は常に氣にかゝつてをり、其消長如何は自分にも責任を感じてゐた譯ですから、此の機會にそれをも見聞してみたかつたのでした
結果は大滿足でした。友人知己と舊交をあたゝめる點では時間や友人達の就働關係もあり、そう簡單にすませれず遂に吉田龍一、西山長太郎、宇都宮鹿之助、井上喜十郎の諸君に面接の機を逸した事は殘念でした
トロントに於ける舊同志達との歡會は、此旅行中での最も愉快なタイムでした。神野新氏をて益若返り、龜岡、内田君らの頭稍光ぼうを放つとはいへ元氣は昔日にいとらず、河部、稲坂氏等の頭髪兜の白さをきそふと雖もまだ／＼精氣横溢の餘裕を藏して至り誠に頼もしい限りでした。岡崎清助、北村庄太郎の兩君に至つてはまだしつ黒の頭髪をなでつけて青年然たるところ、私をして感嘆これを久しうせざるを得ない次第でした

○

モントリオルからトロントに足を一歩踏み入れたせつなちよつと戸まどひしたような感じに打たれたのでした。夫れは半生モントリオルで聽きなれたフランス語のちよつとも聞こえない事でした。それとモントリオルでは丁度箱の中に押込められた様な生活をしてゐるので何だか暗く陰氣であるが、トロント、ハミルトン方面はハウスの構造が非常に明かるくできてゐて氣持が晴れ／＼する點が特に注目されました。そう云へばモントリオルはせまい街路に高い建物で稍閉してゐてあるいてゐて押つぶされそうな壓迫感を受けるが、トロントではダウンタウンを除いてはそんな感じはちよつとも起らず至極ゆつたりした明かるい氣持を味つたことでした

○

散在政策の効果を云々するのが今はまだ其時期でないかも知れないが、私の知り得た範圍内では今の状態が續く限り、つまり大した不景氣でも來ない限り東部に於ける同胞の定住は割合短時日に行はれそうです
一例を擧げますとトロントでもハミルトンでも私の訪問した知人は大抵自分の家を買つてゆう／＼と收まつてをり、さもない場合にでも何だか生活にゆとりを示してをりこせ／＼した生活に追はれるやうな點のちつとも見えないことでした
これには日本人の家族主義が大にあづかつてゐると思ひます。そこでも家族總動員で働いて此の再定住の轉換期を克服するに、これ努めてゐるらしいのです。多少無理を强行してゐるのではないかと思ふほど、みんなが恐ろしく猛烈な勤勉ぶりである。が私の思ふのには、此家族主義の繁榮は近い將來に於て或る種の制限を、いや大きな制限を受けざるを得ない運命に立至ると云ふことです。夫れは家族の一番の働き手である二世達の上に、追々と婚期が廻つて來つつあると云ふ事です
此人たちが結婚して思ひ／＼に家庭を持つ時が來ると、働き手を失つた一世たちの細い腕に急に重荷がのしかゝつてくるのである其時には無理はきかない、同時に家を持つた子供たちも今までせつせと稼いだ關係上生活の餘裕は與へられず、双方とも多少苦しい場面に逢着するのでないかと思ひます
で私の考へでは、こゝらで一番日本人の家族主義を修正すべきでないかと思ひます。例へば子供が稼いでくる中の幾分づゝを各自のものとして貯蓄させて、將來家庭を持つ時の準備をさすなどは最もよい方法と思ひます。又は餘裕のある家では子供にすきな職業を習得させるとか又は上の學校に學ばすとか、兎に角、子供の將來に希望を持たせ彼らに子供を家庭にしばりつけることをしない方がよくはないかと思ふ
兎に角、今までは變態的な非常時であつたので二世も其點は身にしみて感じ再定住を一家總動員で完遂する事に共力して來たのであり、これは結構な事であり家族主義の有難味の最も現はれた時期であつたと思ひます。然し此點をこゝまでも押進めて行くと無理が出て來、急激な[illegible]れが大にあります
何れは此かぞく主義と云ふものは在來加の同胞の上に革命期が來て新しいデモクラチックな個人主義に立脚した新生活が生れてくると思ふのですが、そして今は其の過渡期であると私は思ふのです。此生活の革新が悲劇を伴はずに究現されることが最も望ましいと云はざるを得ません

○

大分長たらしい説義になりましたが、まあ斯う云つた様なことが今度の旅行でひろつた收穫です

ブラジルには廿萬の日本人が居る其半數は未だに、日本は勝つたと信じている。山本五十六がワシントンで戰敗をしているとか日本戰艦がサンパウロ市を行進中とか、日本艦がサントス港に迎へに來たとて田畑を賣拂う者が出るやら、まけたと云う者を殺すやらの騷ぎである。臣道聯盟や征服軍人會[illegible]
昨年民主憲法の委員會で、ニッポン移民の禁止を明文化しようとの議が強く、議長の一票でわずかに否決となつたほどである。在ブラジル日本人の間では動搖のうちにも靜安を求める氣分が強く、此頃俳句會が盛んだと云う。念珠氏などは内地にも知られた俳人だが、宮坂國人氏から本欄に寄せた句を紹介しよう

[illegible] July 6

By ROY O'HASHI

REGINA, Sask.—On Sunday, July 6, King's Park was the scene of vigorous activity as the Regina Japanese gathered for their first post-war community picnic. Transportation to the park was by the means of five cars and a moving van.

Almost immediately a softball game was organized to be cut short by dinner call. Camera fiends in the persons of Mr. G. Kitagawa and Mr. S. Nakamura went all out for some candid shots of the picnickers.

After dinner races were held. Sonny Tanouye and Tommy Nishi supplied the action for the juniors while Edson Inouye and Sammy Nakamura shone in the "mites" division.

Then some Older Ladies stole the spotlight. In the paper bag-breaking relay the younger set won over the hustling "ba-sans" by a blow. In the rolling pin throw, Mrs. K. J. O'Hashi took the honors, but only after a real neck to neck battle with Mrs. G. Inouye.

Following this, the Older Men came out of retirement to show their wares. In the potato-spoon race, Mr. H. Nishi set a blazing pace to win by a spoons-length over the fast-coming Mr. Masuda.

The young ladies then took over the field. In the three-legged race Vivian Yoneda and Irene Kobayashi won out over a group of varied entries including the pair of Mr. G. Kitagawa and Mr. K. Kobayashi. The reason for the failure of the Kitagawa-Kobayashi duo to place was undoubtedly lack of training since they finished seventh in a field of seven. After the hectic competition, the group ate in the shade of the poplars, and were cooled off by the breeze that came up just at the right time.

The fighting spirit of the Old Men was far from gone, however, and after supper they challenged the Young Ladies to a game of softball. The oldsters piled up a few runs in the early frame, but the steady playing of the girls wore down the challengers until in the seventh inning the score was tied 16-all.

But the girls had it all figured out and had the Yoro baffled with all the "curves" floating around the diamond.

Heavy hitters for the Old Men were Jimmy "I'll See You at Third Base" Tanouye and Bob "Ted Williams" Hori. The girls were all consistent and although they did not show power at the plate, their infield playing was hot. Visitor Alice Kudo's pitching sparked the femme squad.

Umpiring was handled ably by Leo "I Saw It Cut the Corner Then" Tanouye. By the way, the girls won the game by staging a brilliant inning of hits to get a narrow margin of runs.

After the game, everyone packed up and sent the old folks home. Members of the Nisei club stayed behind for a sing-song in the moonlight. After hours of groanihg, everyone scrambled for home.

Congratulations for planning and handling the program so well go to Bob Hori and his assistants, Sue Kanzaki, Yukie Nishimura, Ken Sano and Leo Kobayashi. Transportation and refreshments were handled by Bob Yoneda and Roland Kudo.

The Vancouver Sun editorially this week rapped the Canadian Press and many newspapers, including itself, for demoting Mr. Justice Henry I. Bird to the Supreme Court of B.C. in the reports of his appointment as commissioner to investigate the evacuee property loss claims.

The Sun explains that Mr. Justice Bird was elevated from the Supreme Court to the B.C. Court of Appeals on October 4, 1944.

It is not natural to be unhappy all the time, assert doctors in the Department of National Health and Welfare, Ottawa. Pointing out that "every cloud has a silver lining," the health authorities urge a search for the rainbow and an appreciation of the inevitable sunshine which follows the storm.

Since unhappiness is an enemy of health, a philosophical and cheerful attitude should be developed.

VANCOUVER.—While Nisei veterans in [Can]ada are planning a reunion this month, last [week Van]couver S-20 veterans held a get-together at [a] Chop Suey.

The party, held on July 24, was arranged [by Ma]rilee Faulkner, former member of the CW[AC in Aus]tralia. The Vancouver Sun reported:

"Members of S-20, who trained here for the vital role they were to play in the Pacific war while few Vancouverites knew their secret army unit existed, came 'home' Thursday.

"They met to r[ec]all balmy days in Bangkok, incidents in India, and many other experiences relating to the Pacific war.

"S-20 was the secret army unit that learned the Japanese language here early in the war, later served as intelligence officers in the Far East.

REVIEWING THE NEWS

(Continued from Page One)

Canadians were fighting. But it should be said in fairness that young Hutterites were required to serve in the alternative service, and the colonies contributed to the war effort through donations to the Red Cross and interest-free loans to the government.

A common charge against the Hutterites is that they cannot be assimilated. This charge is not strictly true nor fair.

An occasional Hutterite does break away from the colony. But it is also true that the average Hutterite is opposed to "assimilation" as the term is usually used.

They dress in their traditional costumes. Their children are taught the German language. It is claimed that education above the public school level is discouraged, since higher education tends to make the youths discontented with the simple colony life.

They rarely marry a non-Hutterite, and consequently there is much inbreeding, which some claim is detrimental. There are only about a dozen family names among the Canadian Hutterites. They believe it is wrong to smoke, dance or see a motion picture.

Regarding the merits of living in communistic colonies, it can be said that it eliminates much worry and anxieties, and may lead to a simple, happy life of a sort. On the other hand, it tends to kill ambition and initiative—qualities which are prized highly by free-enterprisers.

Refuse Responsibilities

A strong criticism of the Hutterites is that they refuse to accept citizenship responsibilities. They do not vote. They do not take part in community life outside their colonies. And it is charged that the Hutterite colonies retard the social and economic progress of the community, and in fact that the colony life is opposed to the Canadian way.

The Hutterites reply that they pay their taxes, while refusing to accept many benefits provided by the government, such as family allowances. They rarely become public charges since the colony takes care of its own sick and the unemployed.

It can be seen readily that the behaviour of the Hutterites, while it may not be wrong, does tend to make them an unpopular group. This is especially true when they show signs of prosperity, as they have been doing in Alberta. It it easy to see, too, that the feeling against the Hutterites may be directed into restrictive legislations against them as is the case in Alberta.

But can the Alberta's land restriction law be justified? What are the arguments for and against this obviously discriminatory legislation? These questions will be considered in the second and concluding article on the Hutterites next week.

[N]ISEIS LOSE OUT [I]N TOURNEY SEMIS

Winnipeg Nisei League All-Stars journeyed out to St. Pierre, 35 miles from the city, on the weekend of July 19-20, to take part in an eight-team baseball meet.

The Niseis whacked out a thrilling 10-9 win over St. Jean in the first round and then lost out to Steinbach 2-0 in a close semi-final game to come away with a $50 prize.

In the Saturday elimination round, the All-Stars backed Ike Oka well with nine hits to head St. Jean 4-2 in the fifth, when St. Jean tallied five runs on a flock of Nisei infield errors, to go ahead 7-4. Coming back in their half of the sixth, Winnipeg walloped a three-hit attack to score two runs and fill the bases. With two down, Sammy Matsuo whacked out a big double to send the Niseis ahead, 9-7. Shig Okumura relieved Oka in the fifth and held down St. Jean, although they threatened with a two-run rally in the seventh.

* * *

In the semi-final game against Steinbach, the All-Stars faced a left-handed pitcher for the first time. Unlike the Saturday game, the team played almost errorless ball behind Don Takatsu's three-hit pitching. But the Nisei guns, which had banged out 14 hits against St. Jean, couldn't get started against Rempel of Steinbach, and although they threatened several times, the southpaw shut them out in a fast ball game.

In the finals, Dominion City took Steinbach easily into camp, 15-9, to cop the $150 first prize. Steinbach's share was $100. St. Pierre, the other semi-finalists, also won $50.

Cubs Growling at Sox Doorstep; Leafs Come to Life to Take Two

HAMILTON, Ont.—Weekend tussles over July 19-20 saw no change in the Hamilton Nisei Baseball League standings, but large gaps between teams were closed somewhat, and the Sox hold only a one-half game lead over the hard-hitting Cubs. Leafs suddenly came to life over the weekend taking a tight 3-2 decision from the Cubs and out-slugging the Cards, 15-9.

CARDS BID NO TRUMPS

Showing unusual hitting power, Leafs sprayed the Card outfield with six doubles and two homers to take the first contest of a Sunday doubleheader, 15-9, on July 20. From the initial inning, the little boy blues darkened the skies with flying horsehide.

Kaye Inouye and Ken Hashimoto accounted for two doubles each, while Hashimoto added still more to his record by smashing a circuit clout with bases crowded in the sixth. George Funamoto, Leaf hot corner man, produced the other "batter's delight" with two men on in the fifth.

Roy Yamamura turned in the best performance for the Cards claiming five putouts while contributing two runs to the home team.

RELIEF PITCHER BEATS SOX

In the second Sunday afternoon tussle, Cubs squeezed out a 9-8 win from the Sox to creep within one-half game of the league leaders. Trailing in the third 6-0, the Sox rallied strongly with a five-hit, five-run fifth inning, and adding runs one by one, bringing the score 8-7 in their favor in the final stanza.

Things looked rosy as the Sox took the field to hold their one-run lead, since the bottom half of the Cubs batting order faced them. But with one out and one on base, Mickey Takeda slapped out a double to drive in the tying run. With two out and the winning run on second, Cubs sent up the last man in their batting order, relief pitcher Wally Funamoto.

On the very first pitch, Funamoto banged a hard ball far out to left centre for a triple to win the ball game. Thus, a relief pitcher, playing his first game this season, defeated the league leading nine and put his team within easy reach of first place.
